

# Algebra 1: Concepts and Skills

## Chapter 3

### Data Updates

#### Lesson 3.8, page 182, Exercise 48, Population Projections

Year	2000	2010	2020	2030	2040
Number of people 85 years and older (in millions)	4.3	5.8	6.8	8.9	14.3

(Note: The data on page 182 are from a more conservative set of projections than these data.)

*Answer:*
