Catal Huyuk

Answer all of the questions. Use additional paper if needed. Use this worksheet to organize your exhibit.

1. What is Catal Huyuk, where is it located, and when was it built? How will you display this information in your exhibit?

2. What are some artifacts archaeologists have discovered at Catal Huyuk? What do the artifacts suggest about the people who lived there and how will you display them in your exhibit?

3. What are some of the processes archaeologists are using to excavate artifacts at Catal Huyuk? Describe at least two.

4. What mysteries and questions are still being discussed and investigated? What clues and artifacts have given rise to these mysteries?

5. What pictures or other images would you like to include in your exhibit? Write a caption that describes each visual and cites your source. If it is from a Web page, write that page’s address (URL).

Extra Credit

What new phrases, words, and information did you discover in your research?
